Dear Mayor Barnes & Council Members:

St. Gregory the Great Catholic School and PTO are making plans for the 5th Annual Pony Express Half Marathon and 5K. The event is scheduled for Saturday, September 9, 2023, and is being held in conjunction with the Pony Express 120 Gravel Dash. It will be a professionally timed Half Marathon once again in our community.

The Half Marathon will begin at 8:00 a.m., followed by the 5K at 8:15 a.m. We would like to begin the races at 7th & Broadway, in front of the Bronze Pony Express Horse & Rider, sharing the Start/Finish Line Arch that the Gravel Dash will be using. We are working with the Gravel Dash committee, and they have agreed to this request.

The Gravel Dash is requesting to block off streets downtown for their event and ours in a separate letter. We would request the following of the City of Marysville for our running event:

- Block the intersection of 8th & Broadway and 8th Street at Highway 36 until both races have started. The runners will proceed East from the start, then turn North on 8th Street. They will cross the highway, go 1 block North, turn West for 1 block, then turn North and proceed up the Blue River Rail Trail.
- Have the police stop traffic on Highway 36 at 8th Street for the start of both races. We will have volunteers at the other intersections to stop any traffic. On their return, the runners will be directed to 2nd Street, where they will cross under Highway 36, then East on Broadway to the Finish Line.
- Allow us to place signage along the route so that the runners stay on the course. These would be small signs placed on the edge of the streets.

In addition, we would like to request permission to paint temporary directional arrows for the race to help guide the runners on the course.

Thank you for making this event a success.

In Christ,

Fr. Quentin Schmitz

City Administrator's Report

7/6/2023

7/10/2023 Council Meeting

1. Jayhawk Dust Control Test

After the last council meeting I had a discussion with Don Bruna about what they were wanting to do/recommending for the use of millings to control the dust out on Jayhawk Road. Don talked about grinding up the millings to get rid of the chunks, spreading them out on to Jayhawk Road and then rolling them to make a solid surface. He said the results would basically be a new road surface and would be the way to get rid of the dust. After talking about this with the mayor, I was asked to bring this back to the council for further discussion.

2. Financials/Project Costs

The General Fund received the June distribution of property tax. As a result, the fund increased by \$343,131. The Water Fund saw an increase in revenues and fund balance. The increase in revenues is mainly due to the lack precipitation our area has received and the increased watering residents are doing because of the lack of rain. The Sewer fund increased to the balance of \$536,645, which is still lower than this time last year, but we hope to continue this trend of increasing the fund balance. The Sales Tax Fund saw a large increase in revenue due to the revenue payments catching up with our reporting. In both April and May the sales tax was later than our reporting process, and so we have two sales tax distributions showing up in June.
