August 18, 2023:

This is a formal request to allow the Marysville High School Homecoming Parade on Friday, September 15th. The parade will begin at 2:00 pm. The parade will begin at 13th and Broadway and continue west to 6th and Broadway where it will end. At this point, floats will be directed to the city park and students and other participants are encouraged to attend the pep rally held at the football stadium. We would also like to have 13 street to 14th street on Broadway closed for line up and parking. Additionally, we will line up entries south of 14th and Broadway, south to Walnut Street. These are changes from last year's parade route and line-up.

In addition to providing the necessary blockades for the parade route, the MHS Student Council would also like permission to use the sound system. Bruce Dierking will be announcing the parade and Jeff Koch will make arrangements the day of the parade to secure the equipment. He will return the equipment after the parade.

We would also like to have permission for the usage of golf carts and/or UTVs as necessary for assisting in lining up the parade.

Should you have any questions, Mr. Koch can be reached at jakoch@usd364.org or (785) 562-5386

To Mayor Barnes and Members of City Council:

The Marshall County Arts Cooperative is working with Landoll Company on their 60th anniversary celebration Thursday, October 12, 2023, at the Pat Landoll Memorial Field. Landoll Company is hosting a free concert in the stadium at 7 p.m.

MCAC is working with our friends at Landolls to “fill out” the event. We are planning activities in City Park to complement the concert in the stadium.

5-7 p.m. - tailgating atmosphere with local bands, food trucks and refreshments in City Park
7-8:30 p.m. - concert in the stadium
8:30-10 p.m. - the fun continues with more music, food trucks and refreshments in City Park

MCAC asks to sell alcohol in a designated area in City Park from 5-10 p.m. Thursday, October 12, 2023, please. The designated area will be clearly marked and monitored by a crew of volunteers.

MCAC representatives will be at Monday’s meeting to talk about this request and to discuss the use of City Park for this momentous event.

Thank you for considering this request.

We appreciate your support!

Sincerely,

Please put the Koester House Advisory Board on the agenda for the Monday, Aug. 28, meeting of the City Council.

We would like to ask that the city move ahead on restoring heat to the second story of the Koester House Museum and that it be accomplished before winter 2023-24. This is important because we have already put a hold on restoration of the lath and plaster ceiling in the southwest bedroom and need to proceed with that project before moving on to other ceiling restorations in the building's second story. We have a contract with Roy Hanni for the southwest bedroom but he can not begin until he is assured that the plaster will not freeze again and that the entire building will not be subjected to the stresses of going without heat in the future. Hanni has covered the floor in the bedroom and prepped the room for the project. He is ready to work there when his schedule allows for indoor work, which he had planned to do this summer.

On another subject, we would like to ask that you appoint Sharon Phillips, 406 S. 13th St., and Rory Clark, 1302 Walnut St., to fill vacancies on the Koester House Museum Advisory Board.

RE: Employee Health Insurance

Earlier this month, we were informed that the city of Marysville would no longer be able to be on the current health insurance plan provided by Blue Cross and Blue Shield. The main reason for this change is that in 2022 we did not have enough staff hours (51 FTE) to qualify for the large group plan. The city is being moved down to a small group plan until we can again attain the 51 FTE. What this means is that the price of health insurance will go up for the next year by about \$40,000, based on the recommended plan, over all funds (Employee Benefits, Water, Sewer, and Library).

Included are the plan options that staff reviewed for the next year. The recommendation from staff is to go with the 1500/25 Gold plan which has a max out of pocket of \$4950 and a Coinsurance of 20%. We did try to get a quote from KMIT on their relatively new health insurance pool, but they determined the city of Marysville was too high a risk to include in their pool currently.

Our health insurance plan goes from October to September, so Blue Cross and Blue Shield is expecting an answer by September 1.

City Council Staff Report

Subject: UTV Purchase
Author: Matt Simpson, Chief of Police
Department: Marysville Police
Date: 08/21/2023

Summary Recommendation:

The Marysville Police Department requests approval to order a 2024 Ranger Crew XP 1000 Northstar Premium – Azure Crystal Metallic, with add-on door mounted sideview mirrors, a fire extinguisher holder, deluxe emergency light kit and light bar installed by Polaris. There is a 240-day delivery term right now through Polaris. As such, we are requesting approval to order the item now, with delivery early next year. Additionally, the sooner we order, we can lock in the price and not experience any price increases.

I've included the quote, lighting patterns, and all other available information.

We will run this expenditure through the Municipal Equipment Reserve fund so as not to affect this year's General Fund Budget. We would then pay the Municipal Equipment Reserve fund back in 2024 from the General Fund.

City Council Staff Report

Subject: Vehicle Purchase
Author: Matt Simpson, Chief of Police
Department: Marysville Police
Date: 08/21/2023

Summary Recommendation:

The Marysville Police Department requests approval to order a 2024 Dodge Durango from Nemaha Valley Motors of Seneca in the amount of \$41,310.00, with upfitting provided by KaComm of Manhattan, in the amount of \$11,500.00. The total combined price of \$52,810.00. There is a 120–150-day delivery term right now through Dodge. As such, we are requesting approval to order the item now, with delivery early next year. Additionally, the sooner we order, we can lock in the price and not experience any price increases.

On the very slim chance that the vehicle comes in prior to January 1st (highly unlikely), Nemaha Valley Motors has agreed to hold the vehicle on their lot based on the pre-order, until next fiscal year.

We will run this expenditure through the Municipal Equipment Reserve fund so as not to affect this year's General Fund Budget. We would then pay the Municipal Equipment Reserve fund back in 2024 from the General Fund.

Executive Summary:

In August 2023, the MPD solicited bids from Honeyman Ford of Marysville, Nordhus Motors of Marysville, and Nemaha Valley Motors of Seneca.

The bids are attached and as follows:

- Nordhus Motors: No fleet vehicles as of 08/22/2023. They are unsure if/when 2024 models will be available.
(Information received from Paul with Nordhus Motors)

- Honeyman Ford: No fleet vehicles as of 08/22/2023. They can no longer get 2023 models, and they are unsure if/when 2024 models will be available.
(Information received from Billy with Honeyman)

- Nemaha Valley Motors: 2024 Dodge Durango
\$41,310.00

We are requesting the Dodge Durango specifically based upon several reasons. First, it's the only vehicle available currently.

More importantly, the Durango comes with a pre-installed police spotlight on the driver's side of the vehicle. The Explorer does not. To add one to an Explorer, is approximately \$850.00 as an additional cost through an upfitter. A Chevy Tahoe does include a pre-installed police spotlight, but that vehicle is near \$48,000, significantly more than the Durango and out of our price range in previous years.

Additionally, based on the 2023 models that we have right now, the Durango has a much larger backup camera. This assists the officers in backing into tight spaces and avoiding collisions. The Explorer does have a backup camera also, but not to the quality or size of the Durango. Last, the storage room in the rear of the Durango for equipment is larger. This allows a more user-friendly storage compartment area for the various tools that law enforcement carries. In time of an emergency, easy access to equipment is paramount to our success as first responders.

It is also important to note that the officers prefer the Durango for comfort and maneuverability. The three Dodge Durangos that we have currently come with high praise from the assigned staff, and we've received numerous compliments on their appearance. All around, our request is for a Dodge Durango.
