# RE: Mask Ordinance 1894

The existing mask ordinance is scheduled to expire on January 17<sup>th</sup>. We were asked to bring the ordinance back for consideration on whether to extend it or not. For reference, the City of Manhattan, where we copied the ordinance from, has extended their mask mandate until April 1<sup>st</sup>.

The question to the governing body is if we should let the mask ordinance expire or extend it for an amount of time and come back to reevaluate if necessary. Something to consider would be the rate at which vaccines are being given out. I have included the Kansas Department of Health and Environment's (KDHE) expected vaccine distribution (Updated 12/16/2020).

If the governing body were to extend the ordinance to April 1<sup>st</sup>, that would get us into the "Increased Availability" stage of what KDHE expects our distribution of vaccines would. We would reevaluate our position at the March 22<sup>nd</sup> council meeting.

## **City Administrator's Report**

#### 1/11/2021 1/7/2021 Council Meeting

#### 1. Parks/Cemetery Mowers

Included are four bids for a new 60-inch zero turn mower, which we have budgeted \$16,000 for this year. The bids are from KanEquip (Bobcat), Blue Valley Trailers (Hustler), LandMark (John Deere), and Schuster's Outdoor (ExMark). The lowest bidder was Blue Valley Trailers for \$9,949.

Recommendation: Accept the low bid of \$9,949 for the Hustler mower from Blue Valley trailers.

Pages: 57-61

#### 2. Parks/Cemetery Vehicle

I have included two bids for a new 3/4-ton Parks/Cemetery vehicle: one from Honeyman and the other from Nordhus. We budgeted \$40,000 for this; half from General and half from the Municipal Equipment Reserve. Nordhus came in with a low bid of \$28,960. We are going to add a flatbed on to this, which cost us \$3000 for fabrication and install in 2020.

# Recommendation: Accept the low bid of \$28,960 for a 2021 2500 HD Silverado from Nordhus Motors; half to come out of General and half to come out of MER.

Pages: 62-66

#### **3.** Police Vehicle

Included are bids for a new police vehicle that we budgeted \$40,000 for in 2021. We received two bids for 1/2-ton pickups and one for an explorer. The vehicle that is being replaced is #1002 a 2015 Ford Explorer. In the Police department there is not a consensus on whether to go with another SUV or to go back to a pickup. We have found that the Ford vehicles have been lasting better in the Police department, so, we would prefer a Ford vehicle for police use.

2021 Ford F-150	\$39,339
2021 Ford Explorer	\$37,618
2021 Chevy 1500	\$35,718

#### Pages: 67-71

#### 4. Building Inspector Vehicle

Included are two bids for the replacement of the Building Inspector's vehicle, in which the engine has gone bad in. I also included a used truck that I have found that would be a suitable replacement if we wanted to go with a used vehicle. The new truck bids are from Honeyman and Nordhus, while the used is from Carriage Motors in Beatrice. I chose this 2017 Chevrolet Silverado 1500 based on the body style as well as how many miles were on it; 25,605. I couldn't find anything comparable to this at any other local dealers and the dealers I talked to said they would look but didn't have anything coming to them from other dealers that would be close to what we wanted. The price for the used 2017 Chevrolet Silverado 1500 is \$34,889. The low bid for the new vehicles came from Nordhus Motors with a price of \$28,044.

Recommendation: Approve purchase of Chevy 1500 from Nordhus Motors for \$28,044 to come out of MER.

#### 5. Financials/Project Costs

For the end of 2020 the General fund ending balance is \$816,080. That is an increase of \$213,959 from the end of 2019. It was also an increase of \$108,798 from what was budgeted as carryover for 2021. The Water fund also saw an increase of \$23,075 with an ending balance of \$711,102. This is \$6,195 more than the budgeted carryover. The Sewer fund saw a decline in its ending balance compared to the end of 2019. The ending balance is \$206,192, which is \$123,181 lower than the end of 2019. It was also \$28,138 lower than the budgeted carryover. I will be looking for ways to increase the Sewer funds balance, including possibly shifting some of the cost of CIPP to the reserve fund. The Sales Tax fund saw an increase of \$300,451 compared to the end of 2019. The ending balance carryover for 2021.
