July 21st, 2021

City Administrator St. John, Mayor Barnes & Council Members,

The following is an update on Marysville Chamber & Main Street's previous six months of service and activities for the community.

Chamber & Main Street co-sponsored the **Legislative Forum** on March 20th with Landoll Company. This gave our business members and the community an opportunity to hear from Senator Bowers & Representative Lisa Moser.

The Chamber & Main Street Retail Committee hosted **Shamrock Marysville** on March 13. This was our 2nd year for the retail event - designed to promote specials in conjunction with St. Patrick's Day, kick off retail shopping for the spring, and get those cash registers ringing. We were pleased to see local participation as well as shoppers from surrounding communities. Chamber & Main Street provided \$200 worth of Chamber Bucks, in various amounts, to help boost local participation. With the local mask mandate still in effect, we were still able to provide a great event while promoting a safe shopping experience.

Mother's Day Market was organized as a joint effort between Marysville Chamber & Main Street and other local organizations. The proceeds from the annual Mother's Day Market and the Chicken BBQ are donated to the Koester House Museum & Gardens. While there were some hiccups with the BBQ this year, the Chamber & Main Street board and director used some quick, creative thinking, and pure genuine ingenuity to alter the menu, prepare and serve food, and raise more funds than in previous years!

The Big Blue River Days festival, best known for the **Big Blue BBQ** and Car Show, occurs annually the first weekend in June. The Big Blue BBQ, primarily driven by the Chamber & Main Street director and board members, alongside other active community volunteers, had 26 teams participate in the KCBS sanctioned contest. Teams traveled from Oklahoma & Missouri to participate. In conjunction with the Car Show, this event brought in close to 5,000 people, over doubling the population for our town that weekend! This event fills up our hotels and camp sites, and encourages people to eat and shop local. Smaller events and activities are hosted throughout the weekend, including Friday Night Poker Run & Cruise Night, the ever-popular Beer Mile, and a cornhole tournament. Live entertainment is provided both Friday & Saturday night, drawing a crowd downtown. On Saturday, local eatery, El Rancho was permitted to set up a taco stand - which they said helped their sales tremendously! The proceeds from the event assist with operations for the Chamber & Mainstreet organization.

Squirrels Just Wanna Have Fun will celebrate its 5th year, this year! The annual "Squirrel Crawl" is a "ladies night" event. In 2019 approximately 140 women participated. In 2020 that number grew to 164 participants. This year, our goal is to reach 200 participants! We work closely with the local businesses and organizations to provide a great ladies night event while providing a unique opportunity for our business owners to increase their number of sales. Each

business who agrees to be a 'stop' provides discounted items, snacks, drinks, door prizes, and fun for all participants. *Participants must be 21 or over.

Events we have coming up:

- Pony Express 120 Gravel Dash & 9/11 Ceremony - on Broadway
- HWY 36 Treasure Hunt - September 16th, 17th, & 18th
- Soup Day Fundraiser - October 14th
- Black Squirrel Night - October 28th
- Small Business Saturday - November 27th
- "Merry"sville Christmas & Santa Parade - December 4th

Chamber & Main Street provides a **monthly newsletter** to our business members and publishes it on our website for public access. In the newsletter you can find past and future events, and what all is going on in the organization.

A **new website** has been designed and launched, featuring a directory of businesses & resources available.

Lastly, Chamber & Main Street has **IWW Funds** available for any member business within the downtown district looking for a zero percent interest loan to assist in building renovations or repairs, or launching new product lines. The funds are available on a first-come/first-approved basis.

Re: Request for Attorney General Opinion

We as the governing body of Marysville Kansas have an obligation of transparency. On June 28, 2021 the governing body passed Ordinance 1900 amending Ordinance 1891, Section 2. Ordinance 1900 further adds "Specifically, Section 5 of Charter Ordinance No. 9 is repealed."

The Council was told that because there was some "error" in Charter Ordinance No. 18 was the reason for amending Ordinance 1891.

The State of Kansas Constitution, Article 12, Section 5(c)(4) is very clear "Each charter ordinance enacted shall control and prevail over any prior or subsequent act of the governing body of the city and may be repealed or amended only by charter ordinance or by enactments of the legislature applicable to all cities."

Charter Ordinances can be repealed or amended only by Charter Ordinance. Our governing body has not complied. If there is a defect or error in Charter Ordinance No. 18, then the Kansas Constitution allows us to repeal or amend by way of Charter Ordinance only. Failing to comply is a direct violation of the State Constitution Article 12, Section 5(c)(3) that provides the electors the right to file a petition requesting the ordinance be submitted to a vote of the electors.

If Charter Ordinance No. 18 is incorrect or incomplete, we have the ability to repeal or amend Charter Ordinance No. 18. We cannot just pretend that we complied with the State Constitution. We are obligated to comply.

When the governing body passed Charter Ordinance No. 18 if the intent was to repeal Charter Ordinance No. 9, it failed to do so. K.S.A. 12-3004 and Marysville City Code 1-109 make it very clear that the ordinance must contain the sections that are being amended and/or repealed. Charter Ordinance No. 18 contains nothing about repealing Charter Ordinance No. 9.

Passing Ordinance 1900 has created more uncertainty. Our governing body needs to know that we have acted in compliance with the State of Kansas Constitution.

I believe that we should request an Opinion from the Attorney General.

Outline of violations in
“An Ordinance Correcting Technical Errors In Ordinance No. 1891”
passed by the governing body on June 28, 2021 and assigned No. 1900:

1. Violates the State of Kansas Constitution, Article 12, Section 5(c)(4)
2. Violates Marysville City Code 1-108
3. Violates Marysville City Code 1-109
4. Violates Ordinance No. 1891

1. The Constitution of the State of Kansas, Article 12, Section 5(c)(4) states “Each Charter ordinance enacted shall control and prevail over any prior or subsequent act of the governing body of the city and may be repealed or amended only by charter ordinance or by enactments of the legislature applicable to all cities.”

The June 28th Ordinance No. 1900, Section 1 includes repealing Section 5 of Charter Ordinance No. 9, which is clearly prohibited by the State Constitution. Any repeal of Charter Ordinance No. 9 would have to be done by a Charter Ordinance to comply with State law.

2. The Marysville City Code also controls requirements for Charter Ordinances. Marysville City Code 1-108(a) states “Charter ordinances shall be controlled by Article 12, Section 5(c) of the Kansas Constitution.”

Our City Code requires the governing body adhere to the Kansas Constitution. The Kansas Constitution Article 12, Section 5(c) is not ambiguous. It is very clear that a Charter Ordinance can be repealed only by another Charter ordinance.

3. Ordinance amendments are controlled in City Code 1-109 stating “no section or sections of an ordinance shall be amended unless the amending ordinance contains the entire section or sections as amended and the section or sections amended shall be repealed.”

The June 28th Ordinance No. 1900, Section 1 does not comply with City Code 1-109, but rather amends one ordinance (Ordinance No. 1891, Section 2) and attempts to repeal a different ordinance (Section 5 of Charter Ordinance No. 9). This violates Marysville City Code 1-109 and also K.S.A. 12-3004.

4. Ordinance No. 1900 violates Ordinance No. 1891.

Ordinance No. 1900 is attempting to repeal Section 5 of Charter Ordinance No. 9.

The May 11, 2020 Ordinance No. 1891, Section 3 states "same; excepting certain ordinances from repeal.....

(n) All Charter ordinances"

On June 28 the governing body passed Ordinance 1900 attempting to repeal a charter ordinance and at the same time Ordinance 1891 prohibits repealing charter ordinances in "Adoption of the Code of the City of Marysville, Kansas."

ORDINANCE NO. 1900

**AN ORDINANCE CORRECTING TECHNICAL ERRORS
IN ORDINANCE NO. 1891.**

Whereas, Charter Ordinance No. 9 exempted the City of Marysville from the provisions of K.S.A. 14-201 relating to the appointment of City Officers by the mayor and providing for a procedure of appointing and considering mayoral appointments;

Whereas, by exempting the City of Marysville from K.S.A. 14-201 et seq, the City of Marysville is authorized to determine its procedure for appointing and considering mayoral appointments by ordinance of a general nature;

Whereas, the City of Marysville, having exempted itself from the Kansas statutes, did codify the procedure of appointing and considering mayoral appointments in the Marysville City Code by general ordinance, as provided in the enactment of Ordinance No. 1891;

Whereas, Charter Ordinance No. 18 exempted the City of Marysville from the provisions of Section 4 of 2008 House Bill No 2217 as set forth in 2008 Session Laws, Chapter 163, Section 4, as it pertains to the procedure of appointing and considering mayoral appointments and repealed by implication any prior Charter ordinance pertaining to the procedure of appointing and considering mayoral appointments;

Whereas, it is necessary and proper to correct technical errors where a potential conflict exists between ordinances of a general nature regardless of their originating source;

**NOW THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE
CITY OF MARYSVILLE, KANSAS:**

SECTION 1. Ordinance No. 1891, Section 2, shall be amended to read as follows:

All ordinances and parts of ordinances of a general nature passed prior to May 11, 2020, are hereby repealed as of the date of publication of said code, including without limitation, any procedure for appointing and considering mayoral appointments regardless of its originating source. Specifically, Section 5 of Charter Ordinance No. 9 is repealed.

SECTION 2. This ordinance shall take effect and be in force after its publication in the official newspaper of the City of Marysville, Kansas.

ACCEPTANCE OF GRANT FROM CONGRESS; ORDINANCE; PREAMBLE

ORDINANCE

WHEREAS, The government of the United States is the proprietor of a large portion of the lands included in the limits of the state of Kansas as defined by this constitution; and,

WHEREAS, The state of Kansas will possess the right to tax said lands for purposes of government, and for other purposes; now, therefore,

Be it ordained by the people of Kansas:

That the right of the state of Kansas to tax such lands is relinquished forever, and the state of Kansas will not interfere with the title of the United States to such lands, nor with any regulation of congress in relation thereto, nor tax nonresidents higher than residents: *Provided always*, That the following conditions be agreed to by congress:

§ 1. School sections. Sections numbered sixteen and thirty-six in each township in the state, including Indian reservations and trust lands, shall be granted to the state for the exclusive use of common schools; and when either of said sections, or any part thereof, has been disposed of, other lands of equal value, as nearly contiguous thereto as possible, shall be substituted therefor.

§ 2. University lands. That seventy-two sections of land shall be granted to the state for the erection and maintenance of a state university.

§ 3. Lands for public buildings. That thirty-six sections shall be granted to the state for the erection of public buildings.

The legislature may, if land devoted to agricultural use changes from such use, provide for the recoupment of a part or all of the difference between the amount of the ad valorem taxes levied upon such land during a part or all of the period in which it was valued in accordance with the provisions of this section and the amount of ad valorem taxes which would have been levied upon such land during such period had it not been in agricultural use and had it been valued, assessed and taxed in accordance with section 1 of this article.

Dues from corporations shall be secured by the individual liability of the stockholders to the amount of stock owned by each stockholder, and such other means as shall be provided by law; but such individual liability shall not apply to railroad corporations nor corporations for religious or charitable purposes.

§ 3.

History: Adopted by convention, July 29, 1859; ratified by electors, Oct. 4, 1859; L. 1861, p. 63; repealed, L. 1974, ch. 456, § 1; Aug. 6, 1974.

§ 4. Rights of way; eminent domain. No

right of way shall be appropriated to the use of any corporation, until full compensation therefor be first made in money, or secured by a deposit of money, to the owner, irrespective of any benefit from any improvement proposed by such corporation.

History: Adopted by convention, July 29, 1859; ratified by electors, Oct. 4, 1859; L. 1861, p. 63; Jan. 29, 1861.

§ 5. Cities' powers of home rule. (a) The legislature shall provide by general law, applicable to all cities, for the incorporation of cities and the methods by which city boundaries may be altered, cities may be merged or consolidated and cities may be dissolved: Provided, That existing laws on such subjects not applicable to all cities on the effective date of this amendment shall remain in effect until superseded by general law and such existing laws shall not be subject to charter ordinance.

(b) Cities are hereby empowered to determine their local affairs and government including the levying of taxes, excises, fees, charges and other exactions except when and as the levying of any tax, excise, fee, charge or other exaction is limited or prohibited by enactment of the legislature applicable uniformly to all cities of the same class: Provided, That the legislature may establish not to exceed four classes of cities for the purpose of imposing all such limitations or prohibitions. Cities shall exercise such determination by ordinance passed by the governing body with referendums only in such cases as prescribed by the legislature, subject only to enactments of the legislature of statewide concern applicable uniformly to all cities, to other enactments of the legislature applicable uniformly to all cities, to enactments of the legislature applicable uniformly to all cities of the same class limiting or prohibiting the levying of any tax, excise, fee, charge or other exaction and to enactments of the legislature prescribing limits of indebtedness. All enactments relating to cities now in effect or hereafter enacted and as later amended and until repealed shall govern cities except as cities shall exempt themselves by charter ordinances as herein provided for in subsection (c).

(c) (1) Any city may by charter ordinance elect in the manner prescribed in this section that

the whole or any part of any enactment of the legislature applying to such city, other than enactments of statewide concern applicable uniformly to all cities, other enactments applicable uniformly to all cities, and enactments prescribing limits of indebtedness, shall not apply to such city.

(2) A charter ordinance is an ordinance which exempts a city from the whole or any part of any enactment of the legislature as referred to in this section and which may provide substitute and additional provisions on the same subject. Such charter ordinance shall be so titled, shall designate specifically the enactment of the legislature or part thereof made inapplicable to such city by the adoption of such ordinance and contain the substitute and additional provisions, if any, and shall require a two-thirds vote of the members-elect of the governing body of such city. Every charter ordinance shall be published once each week for two consecutive weeks in the official city newspaper or, if there is none, in a newspaper of general circulation in the city.

(3) No charter ordinance shall take effect until sixty days after its final publication. If within sixty days of its final publication a petition signed by a number of electors of the city equal to not less than ten percent of the number of electors who voted at the last preceding regular city election shall be filed in the office of the clerk of such city demanding that such ordinance be submitted to a vote of the electors, it shall not take effect until submitted to a referendum and approved by a majority of the electors voting thereon. An election, if called, shall be called within thirty days and held within ninety days after the filing of the petition. The governing body shall pass an ordinance calling the election and fixing the date, which ordinance shall be published once each week for three consecutive weeks in the official city newspaper or, if there be none, in a newspaper of general circulation in the city, and the election shall be conducted as elections for officers and by the officers handling such elections. The proposition shall be: "Shall charter ordinance No. _____, entitled (title of ordinance) take effect?" The governing body may submit any charter ordinance to a referendum without petition by the same publication of the charter ordinance and the same publication of the ordinance calling the election as for ordinances upon petition and

such charter ordinance shall then become effective when approved by a majority of the electors voting thereon. Each charter ordinance becoming effective shall be recorded by the clerk in a book maintained for that purpose with a statement of the manner of adoption and a certified copy shall be filed with the secretary of state, who shall keep an index of the same.

(4) Each charter ordinance enacted shall control and prevail over any prior or subsequent act of the governing body of the city and may be repealed or amended only by charter ordinance or by enactments of the legislature applicable to all cities.

(d) Powers and authority granted cities pursuant to this section shall be liberally construed for the purpose of giving to cities the largest measure of self-government.

(e) This amendment shall be effective on and after July 1, 1961.
